CLARENCE M. KIMBALL HIGH SCHOOL
THOMAS H. NEVILLE, PRINCIPAL
S. HAROLD LIGHT, ASSISTANT PRINCIPAL
PAUL B. DEXEL, ASSISTANT PRINCIPAL

May 1995

To Whom It May Concern:

I commend to your attention Daphne Lung, a current senior at Kimball High School who is a candidate for a citizenship award. Daphne has been a student assistant in the Kimball Learning Lab which I direct. She has been consistently helpful with the tasks that need to be done here in the areas of student tutoring, filing, Xeroxing, and organizing school-wide projects.

Daphne carries a grade point of average of 3.35 and is an officer of the National Honor Society where she singlehandedly operates the peer tutoring program. This program allows academically needy students at Kimball to receive tutoring help from NHS members. Daphne must coordinate the needs of the applicants with the strengths and availability of the tutors. This she has done well, creating an original data base to register who has been served and which NHS members have filled these tutoring tasks.

Daphne has been active in Kimball athletics. She has been on the swim team for three years and played soccer for three years. This year as swim team tri-captain she carried out responsibilities involving the health and morale of the team members. Daphne served as goalie during her soccer years.

Daphne's main focus is visual art. She is especially interested in drawing and photography and will attend the Center for Creative Studies in Detroit next year.

Thank you for your careful attention to this candidate.

Sincerely,

Barbara Newcomer
